PROFESSIONAL SUMMARY

Incoming UC Berkeley Data Science student and valedictorian-ranked high school senior with experience in software development, independent CS research, and technical education. Co-founded a student software team that earned 4 statewide awards and placed in the top 4% of a global competition among 10,000 entries.

EDUCATION

University of California, Berkeley

Starting Fall 2026

B.A. Data Science — Expected Graduation: 2030

Ida B. Wells High School

Portland, OR | 2022–2026

Class Rank: 1 of 341 · GPA: 4.0 Unweighted

PROJECTS

Apprenticeship in Science and Engineering

2024

Research Apprentice, Portland State University — Dr. Shravas Rao

- Researched algorithmic complexity and quantum computing, focusing on algorithm power via query complexity.
- Presented research findings to a cohort of program interns in a formal end-of-program presentation.

Oregon Game Design Project — Fractal Development

2022–Present

Chief Systems Programmer and Head Composer

- Co-founded and led a software team of 7, directing all Unity and C# systems programming and audio composition.
- Won 4 awards at Oregon's statewide competition (50+ teams): Best in Show, Player's Choice, Game Design, Programming.
- Placed in the top 4% of approximately 10,000 entries in the GMTK Game Jam, one of the largest game jams worldwide.

EXPERIENCE

Camp Counselor

Summer 2026

Code Ninjas — Hillsboro, OR

- Teach coding and STEM curriculum to campers ages 7–14 across Scratch, JavaScript, Roblox/Lua, and Minecraft modding.
- Guide students through hands-on projects, managing classroom flow and engagement across multiple skill levels simultaneously.
- Collaborate with fellow instructors and center staff to deliver a consistent, high-energy camp experience.

Computer Science Teaching Assistant

2025–Present

Ida B. Wells High School — Portland, OR

- Support instruction for a class of approximately 30 students; contribute to curriculum design, assignments, and lesson planning.
- Work one-on-one with students to explain concepts and debug code, adapting explanations until each concept clicks.

Math Tutor (Volunteer)

2025–Present

Multnomah County Library — Portland, OR

- Tutor 6 students across 8 weeks in math spanning 4th–12th grade, adjusting approach to each learner's age and level.
- Foster an encouraging, low-pressure environment where students feel comfortable making mistakes and asking questions.

AWARDS & HONORS

AP Scholar with Distinction (2024) · Piano — 2nd Gold Cup Award (2024)

Oregon Game Design Project — Best in Show & Player's Choice (2025), Best in Game Design (2024), Best in Programming (2023)

GMTK Game Jam — Top 4% of approximately 10,000 entries

SKILLS

Languages: Python, Java, JavaScript, C#

Tools: Git, VS Code, Unity, Web Development, Blender, FL Studio, DaVinci Resolve

Other: Software systems, technical communication, project management, curriculum development

ACTIVITIES, VOLUNTEERING & ATHLETICS

Piano — OMTA Level 10, Oregon Federation Junior Festival

Multnomah County Library — general volunteer · Track meet support (middle school & NCAA) · Trail restoration

Varsity Track & Field — 4x Letter Winner · Cross Country · Soccer · Lego Robotics
